Benny

From Benny's foster home: *"Big Ben is ready to be adopted into a loving home and he definitely deserves it! From the moment he stomped out of his carrier for the first time, we knew that he was going to be a Big Ben. Ben has been a dream to foster for us. He has been nothing but affectionate and trusting the entire time he's been with us."* [Learn more...](#)

SUCCESS STORIES

Spencer was rescued from Hamilton Animal Services where he was an unclaimed stray. This very sweet guy tested positive for Feline Leukemia, and he also has liver disease. We knew this could potentially make finding him an adopter a challenge.

Luckily, because of his huge-hearted foster family who fell in love with him, Spencer now has a safe place to call his forever home. Congratulations on your adoption, sweet Spencer!
