RESCUE NEWS

Jerry

Jerry came into Hamilton Animal Services as a stray. A kind person saw his severe injuries and brought him to safety at the shelter. It is not known how Jerry was injured. The staff at the shelter did a great job looking after Jerry during his stay with them. Despite how he must have been feeling, Jerry was very affectionate towards everyone he met at the shelter.

Boone

When Hamilton Animal Services sent us photos of an injured stray rabbit, we couldn't say no. Poor Boone had several serious injuries – puncture wounds, a split lip, broken teeth, and other cuts and scrapes. Boone went straight from the shelter to the vet for treatment, and he was transferred to an experienced Ladybird bunny foster home the next day. Boone has a long road of recovery ahead of him, but we'll be with him every step of the way. [Read more...](#)
