

WELCOME TO LADYBIRD

Meet Ladybird's newest rescue dogs

Happy

Olive

Chip

Bessie

Happy, Olive, Chip and **Bessie** are all super sweet pups who came to Ladybird after they were brought in to Hamilton Animal Services as strays. When no owners came in to claim any of these pups, HAS called Ladybird for help. Each dog has unique medical concerns, but they will all require dental work, which will be very (very!!) expensive. Ladybird is always committed to giving the most difficult rescues a second chance at the best life possible. We're so glad you're here, babies!

Please **follow** their stories and **donate** what you can to their care.

Success Stories

IN MEMORY

Heartbreaking news.

Just a handful of days after rescuing abandoned wobble kittens **Merlin** and **Marvin**, sweet little Merlin has passed away. He developed severe diarrhea overnight, and became lethargic in the morning. His foster mom rushed him to the vet, and despite the vet and staff's best efforts, sweet Merlin passed away at the clinic.

We're waiting for test results to come back to see what caused Merlin's passing, and we're shocked at how quickly this happened. Our hearts are breaking for Merlin's foster mom. She's devastated. And we're so sad for Marvin. He loved his brother so much. Foster mom is giving Marvin all kinds of extra love to help him through. Marvin had a health check and blood tests done at the vet and thankfully he seems to be healthy so far.

Merlin – you were such a special kitten. We're so sad to have lost you, but we take comfort that you knew nothing but love during your time with us. We'll never forget your sweet face.

Special needs animals need special care.
