## Welcome to Ladybird!

[Gracie](#) came into Hamilton Animal Services as a stray and was not claimed. When she arrived at the shelter, she was matted, she was covered in lumps and bumps, her teeth were bad, and she had a skin infection. On top of all that, she had a terrible urinary infection, so she was started on medication. Gracie quickly became a staff favourite because of her sweet nature and happy smile. [Learn more...](#)

## Adoptable Animals

[Spice](#) came from Hamilton Animal Services after being surrendered on his own. Gerbils need to be in pairs or groups, so our intention was to try to find Spice a home where there was another lone gerbil who needed a friend. We learned that our friends at [All Creatures Rescue](#) had a single female - [Sugar](#) - in their care. We had Spice neutered and after a few weeks of slow and patient bonding, Sugar and Spice are now best friends. This is a great example of rescues coming together to truly benefit the animals in their care. [Learn more...](#)

## Congratulations, Socrates

[Socrates](#) was found as a stray with his siblings [Plato](#) and [Aristotle](#) back in May. After some needed vet care, and time rehabilitating in his foster home, it didn't take long for a loving family to apply to adopt him. Socrates found a great home with another kitty to be buddies with. Congratulations, Socrates! We're so happy for you.

With shelters bursting at the seams, Ladybird wants to do our part to help before shelters are

forced to resort to euthanization due to capacity limits.

**We rely on foster homes to make rescue possible.**

If you live in Niagara, Hamilton, Burlington or Brantford regions, have free time, and a loving home to help an animal heal while they wait to find a forever home, please consider applying to becoming a Ladybird foster.

**Foster for Ladybird**

Until next time, with love!
