Plum

Puddin'

Plum and **Puddin'** were abandoned outdoors in a small box. Thankfully someone found them and brought them to Hamilton Animal Services. We will never understand how someone can think that dumping pets in this way is okay. There are always alternatives to this, and there are many resources available. Luckily, Plum and Puddin' are now settling in with their loving foster home. We're so happy to get the chance to help these sweet girls. [Learn more...](#)

"**Shuri** is one of the sweetest, most laid back kitties I have ever met. He is a gentleman who loves to be loved and to give love in return. His favourite activity is to cuddle with his human! He likes nothing better than to sit beside me with his head and one paw resting on my thigh. He also gently snuggles up beside me in bed, purring contentedly. He is a quiet fellow who makes no demands other than a few simple meows in the morning while waiting for his breakfast. If you are looking for a handsome, sweet, loving,

kitty, Shuri is your guy!" - *Shuri's foster family*

Success Stories

On Christmas Day, **Benji's** owner was taken into hospital and Benji was brought to Hamilton Animal Services. Benji's owner would no longer be able to care for him, and no friends or relatives came forward to claim him, so shelter staff reached out to us for help. We were happy to take this sweet boy in and find him an experienced foster home. It didn't take long for his foster family to fall in love with him and decide he should stay forever. Congratulations on your adoption, Benji! We're so happy for you.
