

Fostering in Brantford

Do you live in the city of Brantford?

Do you have room in your home and heart to help animals in need?

Ladybird is currently seeking new animal foster homes in the Brantford region. When you foster for Ladybird, we cover the cost of vet care and pet food/supplies while you offer the time, love and attention needed to rehabilitate a rescue animal. Once a foster animal is deemed healthy enough for adoption, Ladybird works to find it a loving forever home. Ladybird pairs available foster homes with animals that best suit their scenario and the specific needs of the animal. Fostering is an incredibly rewarding way to help at-risk animals have a second chance at the very best life. Please share with friends in the area who may be interested.

SUCCESS STORIES

Elliot (now 'Mo') was recently adopted and

we could not be happier for this sweet guy.

He now has a buddy to pal around with name Tulip, and luckily these cuties became pretty fast friends when they were introduced. Guinea pigs are always happy when they have other guinea buds to hang out with. We are so happy for you, Mo!
