Help Ladybird find our dream location!

With humble beginnings as an adoption and foster network based in Hamilton, Ontario, Ladybird is now ready to meet the next BIG challenge to fulfill the original BIG dream. Ladybird is working towards acquiring a property to host Ladybird Animal Sanctuary, where we will build and run a safe haven for animals in need. It's time to realize our goal; the future is now.

THE PROPERTY

Ladybird is currently searching for our dream property. In the fall of 2019, Ladybird will be launching a very big campaign to finally help us achieve our goal of buying this property and building a physical sanctuary. If you or someone you know has a lead on the perfect farm or plot of land, please get in touch and help us find a home for our sanctuary.

THE VISION

Ladybird Animal Sanctuary strives to achieve a balance between three main values to create a harmonious and self-sustaining gathering space for the community and animals to engage and thrive. The values include: [Animal Welfare](#), [Environmental Sustainability](#) and [Community Engagement](#).

RESCUE NEWS

HONEY & PUPPIES

Please welcome Honey and her five puppies to Ladybird! Honey (and several other dogs) were surrendered to Hamilton Animal Services when their owner could no longer look after them. Honey gave birth on June 2nd at HAS. It took some time, but thankfully we found a foster home for the wee family, and we rescued them from HAS a week later. They're now settling in at their foster home and doing well so far.

FOSTER NEWS

THOMAS

We rescued Thomas from Hamilton Animal Services. Thomas was surrendered to HAS because of allergies in the family. He is suffering from soft palate issues, and his breathing was very laboured/noisy. **Thomas' treatment has been quite costly so far, and his surgery will be more than \$5,000. Please donate today to help Thomas feel better.** [Read more](#)

GEISHA

Geisha desperately needs a forever home. Geisha is a spunky senior looking for a family to share adventures. She loves snuggling, playing, going on hikes and just chilling with her people, watching Murder She Wrote (she is a senior after all!) Everyone who meets Geisha falls in love instantly. She has fans at the groomers, the vet office and anyone that comes to her foster home. A soccer ball is her favourite thing ever, and being with her human is all she needs for a happy and lazy Sunday. Geisha is ready to find a family that will love her for life! A pet- and child-free home would be best for Geisha. [Read more](#)

ADOPTION NEWS

CONGRATULATIONS, CORA!

Cora came into Hamilton Animal Services as a stray and was never claimed by her owner. When she arrived at HAS, poor Cora was infested with fleas, her nails were severely overgrown, and she was so matted that the mats were literally pulling the fur off of her skin. She desperately needed dental surgery and spaying, and had skin issues beyond the terrible matting. Despite all that, Cora was as friendly as can be, and still had lots of energy for a girl her age! After proper vet care Cora healed perfectly in her foster home, and was ready to find her forever home! We're thrilled to report that Cora was adopted by an amazing family! [Read more](#)
