RESCUE NEWS

Darwin, **Juarez** and **Blaster** were rescued from Lincoln County Humane Society. We got these boys out of the shelter and into a foster home where they could have a large living space together. The pigs had a vet visit, and they are all healthy, other than Darwin's eye which required surgery to remove. We're happy to report that Darwin did amazing with his surgery. This cute trio will be available for adoption together soon! Welcome to Ladybird Darwin, Blaster and Juarez! We're so happy you're here!

FOSTER NEWS

Tuck

Tuck was found as a stray and brought to Hamilton Animal Services. The folks who found him mentioned that he had been attacked by a dog, but thankfully Tuck didn't have any noticeable injuries, aside from a very cloudy eye. HAS staff sent Tuck to the vet and it turns out the eye issue is an old injury, and the eye would need to be removed. As this was beyond the shelter's cost restrictions, they reached out to us for help. We were happy to take Tuck in, and he did great for his eye removal and neuter surgery. Thanks to love and care from his foster mom, Tuck is now healed and ready to find his forever home! [Read more...](#)

ADOPTION NEWS

Congratulations, Leroy!

Leroy ended up at Hamilton Animal Services after his owner was no longer able to care for him. We were happy to get Leroy out of the shelter and into the vet for a check-up. We got Leroy's vaccines up to date and the vet gave him a clean bill of health. It did not take this sweet boy long to find a loving forever home. Congratulations, Leroy!
