## RESCUE NEWS

### Timmy

Timmy was surrendered to Hamilton Animal Services when his owners could no longer look after him, and because he was too vocal and was starting to become bitey. This poor guy is absolutely terrified. He completely shut down in the shelter and would barely look at the staff when they visited him in his kennel. Thankfully we had a foster home who was willing to

help this scared pup, and they sprung him from the shelter. [Read more...](#)

## AVAILABLE FOR ADOPTION

### Benny

From Benny's foster home: *"Big Ben is ready to be adopted into a loving home and he definitely deserves it! From the moment he stomped out of his carrier for the first time, we knew that he was going to be a Big Ben. Ben has been a dream to foster for us. He has been nothing but affectionate and trusting the entire time he's been with us."* [Learn more...](#)

## SUCCESS STORIES

In December, Ladybird rescued oodles (and oodles) of dwarf hamsters. So many amazing families (and incredible kids) stepped up to give many of them loving forever homes. We thank these families for choosing to adopt rather than shop, and give a homeless rescued pet a second chance at the very best life.

Interested in adopting? We still have some hamsters [available for adoption](#).
