AVAILABLE FOR ADOPTION

Roger

From Roger's foster home: *"Roger is the sweetest, most perfect senior dog with so much love to give. Everyone who meets him becomes immediately besotted by his droopy, puppy dog eyes and his adorably compact body (he's only 20 lb). Roger loves naps, giving a paw, kisses (giving and receiving), chewing toys, playing fetch (it's mostly a game of tug, to be honest), and flopping over to have his belly rubbed (making him a bit of a tripping hazard, especially in the kitchen). He is a world-class snuggler!"* [Learn more...](#)
