**Foster News**

**Hemingway** is still waiting for his forever home. Could he be the perfect companion for you? From Hemingway's foster home: *"Hemy is a loving cat who can be very independent. ## Congratulations, Polly!

Sweet, sweet **Polly** (a puppy rescued with a very painful fracture in her pelvic area) has come such a long way and managed to win a few (thousand) hearts along her journey through rescue, surgery, recover and... finding the perfect forever home with her loving foster family. We are so happy for Polly. She deserves the very best! Thank you to everyone who supported her along the way; you sincerely made her second chance possible.
