WELCOME TO LADYBIRD

Thelma

Louise

Thelma and Louise

Thelma and Louise were left behind in an apartment when their owner moved out. They were beyond frightened when they were brought to Hamilton Animal Services and it took quite a while for them to learn to trust the staff there. The shelter had Thelma and Louise spayed, and after a few months, we were finally able to rescue this bunny pair and place them into a loving foster home. These two

cute girls were given a clean bill of health at their vet visit, and they'll be available for adoption very soon.

Welcome to Ladybird, Thelma and Louise! We're so happy you're here!

Olive

Chip

Olive and Chip

“**Chip** and **Olive** are an adorable pair of senior Chihuahuas looking for a loving home together!

Chip packs a tonne of character into his tiny 4 lb frame. His tongue is almost constantly hanging out (he doesn't have any front teeth), which suits him just fine because it makes it easier for him to give lots of kisses! Chip loves naps, snacks, belly rubs, and walks almost as much as he loves his best friend, Olive.

Olive is the larger of the pair but still very small at a mere 8 lb. She is the older of the two as well but you wouldn't know it as she is so spry and active. Olive is brave, gentle, and a little bit shy, but she is very easily won over with treats. (Both will sit for a treat and it's so adorable!) Olive can be nervous of loud noises and traffic outdoors, but she gains a lot of confidence from watching Chip take on the world, and he always has her back! Olive is much more relaxed and sociable indoors, and when she isn't getting her beauty rest, she likes to check out what's going on around the house, especially if there is food involved!” [Learn more...](#)
