## Welcome to Ladybird!

**Walter Wrinklebottom** came into Hamilton Animal Services as a stray and was not claimed. When he arrived at the shelter, he was suffering from a serious upper respiratory virus. Despite how yucky he must have been feeling, Walter was still in good spirits. We were thrilled to get this sweet, naked kitty out of the shelter as soon as we could. Walter had a vet visit on his rescue day, and he was started on medication for his congestion and runny nose. Walter is now chilling in his foster home and is

loving all the soft blankets and comfy beds that he has been provided. [Learn more...](#)

## Adoptable Animals

**Calla** and **Cauliflower** are a newly bonded pair with fun personalities. Calla is food motivated, feisty and loving. Cauliflower is calm, sweet and playful. Both bunnies are friendly, curious and love attention. Their favourite hobbies include exploring the house, eating hay and lounging. They'd do best in a home with loving people and lots of space / free roam time. [Learn more...](#)
