## ADOPTION NEWS

### POSTY

This is Posty! This sweet pup captured the hearts of thousands of people over the past couple of months. From a very tragic and unimaginable case of neglect to a story of healing, resilience and unconditional love, Posty's journey is heartening. We are grateful for all of the support that the community has shown Posty; from those who donated to his care, to CHCH News and The Hamilton Spectator for covering his story in the media, and to Glanbrook Veterinary Services for fostering and taking care of his medical needs. So

many people have your back, Posty!

We're so happy to report that Posty has now found his forever home! [Read more](#)

## FOSTER NEWS

### PINO & CHIANTI

Pino and Chianti were surrendered to Hamilton Animal Services by their owner because they had "too many". These super cute male dwarf hamsters have had a check-up at the vet and both received a clean bill of health. They are now ready to find their forever homes! A huge thanks to Pet Valu in Dundas (86 Main Street, Dundas) for fostering these friends for Ladybird. You can go visit them at Pet Valu today! [See Pino and Chianti's stories...](#)
