RESCUE NEWS

Bobby and Rossa

Rossa and Bobby were rescued from Hamilton Animal Services after they were found as "strays." Bobby is blind, Rossa has a bladder issue, and they both desperately needed dental surgeries. They also both had a few lumps and bumps

that needed to be removed. Ladybird has been working with their vets to address their medical needs. We are assuming Bobby and Rossa have been together for some time. They're very bonded to each other and don't like to be separated. They're very happy to curl up together on their bed, and they follow each other everywhere. They're the sweetest pair. FOSTER NEWS

Dolores

Dolores came to Ladybird from the Windsor Humane Society. Dolores is a friendly girl, though she's not thrilled about being handled too much. She has made herself very comfy in her bin enclosure, and she can often be found snuggled into a pile of bedding, or running in her wheel. She is very much enjoying the fresh veggies being offered to her. Dolores was given a clean bill of health at her vet visit, and now she's ready to find her forever home! [Read more...](#)

ADOPTION NEWS

Congratulations, Cher and Josh!

Cher and Josh arrived at Hamilton Animal Services as strays and were not claimed. We were happy to get these adorable babies out of the shelter and into a foster home. We're so thrilled to report that these cute bonded kittens found a lovely forever home to spoil them.
