## Welcome to Ladybird!

[Monty](#) came to Ladybird from Hamilton Animal Services where he ended up as a senior stray. This very sweet boy showed signs of some severe neglect. It was evident that he had been someone's pet in his past, but sadly, no one came to reclaim him at the shelter. A trip to our vet unveiled a multitude of medical issues and raised concerns about potential cancer. Given his circumstances, we decided to make Monty a permanent resident at Ladybird, ensuring he receives the love and care he deserves for the remainder of his days. [Learn more...](#)

[Pumpkin](#) ended up at Hamilton Animal Services when his owner passed away. At the shelter, Pumpkin tested positive for FIV and he also had an eye issue called entropion, which required surgery. Ladybird eagerly stepped in to help when a foster home opened up. At our vet, while Pumpkin was under for his eye surgery, he also got a much-needed dental cleaning. It's not often that cats with certain medical issues make it out of shelter. Ladybird is so happy to give Pumpkin a second chance at the very best life. [Learn more...](#)

## Adoptable Animals

Someone put [Bert](#) and [Ernie](#) in a box and abandoned them at the end of a residential driveway in Hamilton. Hamilton Animal Services was called and they took the rats to the shelter. No owner came forward to claim them, and HAS reached out to us for help. We were happy to take these two sweethearts in when a foster home became available. They had a vet visit on their rescue day and were given a clean bill of health. They are now ready to find their forever home! We are asking they be adopted as a pair. [Learn more...](#)

## Congratulations, Tina!

When [Tina](#) came to Ladybird with her kittens back in July, this little family was in very terrible shape. Sadly, Tina's babies failed to make it through despite the tireless effort of our vet to help them.

In the safety of a dedicated and loving foster home, Tina started to feel much better and it didn't take long for her foster family to fall in love with her and decide that she should stay forever. Congratulations, Tina! We're so happy for you!

## Look what love can do...

Ladybird has had an incredible year so far. We can see so much change and many good things on the horizon. Sadly, animal shelters are still struggling with intakes and capacity limits. We're doing our best to help ease the burden and give many of these animals a second chance. You all help make this possible through all the different ways you offer support to Ladybird.

To ramp up our efforts in animal rescue, we've been adding more fundraising events to keep up with the rising cost of vet care and supplies, as well as put us in a healthy spot to thrive in the future. Luckily, events are fun and we've gotten pretty good at them! We recently held our first [Bowl-A-Thon](#) at Splitsville in Hamilton which was pretty hilarious and brought in over \$9,000. This completely surpassed our expectations. We'll definitely bring back this event again!

We're thrilled to announce the return of [Ladybird Soiree](#) on **Friday, April 12th, 2024**. Those who have attended previous soiree events know just how memorable and fun these evenings are, and we always feature world-class musical guests. April's event will be no different, but this year our special guest performers will be a bit of a secret... for now. We can guarantee that the musical performances will not disappoint! As a thanks to our supporters Ladybird is offering **\$20 off tickets purchased by October 31st**. To take advantage of this offer be sure to use **promo code: EARLYBIRD**.

Though it's a bit of a ways off in the distance, Ladybird has also planned a very special [Summer Send Off Cruise](#) and dance party in Toronto happening September 21st, 2024. For the keeners out there, tickets for this event are now on sale and you can take advantage of a **10% discount for tickets purchased by October 31st** if you use **promo code: CRUISE**.

So many ways to have fun while helping animals in need! Thank you all for continuing to support Ladybird.

Until next time, with love!
