RESCUE NEWS

Kiwi

Kiwi was surrendered to Toronto Animal Services by his owner. Poor Kiwi was in rough shape. His beak is deformed. He is missing parts of his toes and there were wounds on his feet. He had a pretty bad mite infestation when he arrived, so the shelter started him on treatment. Kiwi wasn't doing well in the shelter, so TAS reached out to us for help. We couldn't say no to this poor guy. [Read more...](#)

FOSTER NEWS

Lorraine

Florence

From their foster home: "Florence and Lorraine are two cute little degus. They enjoy running in their wheel, climbing on your hand for treats, warming up under a blanket, dust baths, and chewing toys. They are very bonded with each other. Their favourite foods are oatmeal and banana. They enjoy people and greet us when we open the cage. Florence has a bald chest area and ongoing oral health needs, but she is still just as chipper and energetic as her friend Lorraine." [Learn more here...](#)

ADOPTION NEWS

Congratulations, Grover!

Grover was found as a stray and brought to Hamilton Animal Services. Nobody came forward to claim Grover, so when his stray time was up we got him out of the shelter and into a loving foster home. We're so thrilled that, after just a couple of months with Ladybird, this very sweet boy has found a forever home with a lovely person.

Look what kids can do...

To end on a super cute note, these amazing kids spent part of their summer helping the animals of Ladybird. The future is bright with these huge-hearted kids showing the world what love can do. WOW!

Meet the "Creature Club"! Sisters Mylah and Maelyn and their friends Avery, Silas and Addison banded

7 year old Lucille set up a lemonade stand with part of the proceeds going to

together to fundraise and seek pet supply donations, and raise rescue animal awareness in their neighbourhood. Incredible kids!

Ladybird. Thank you to Lucille and family! You are so awesome!

Until next time, with love,
